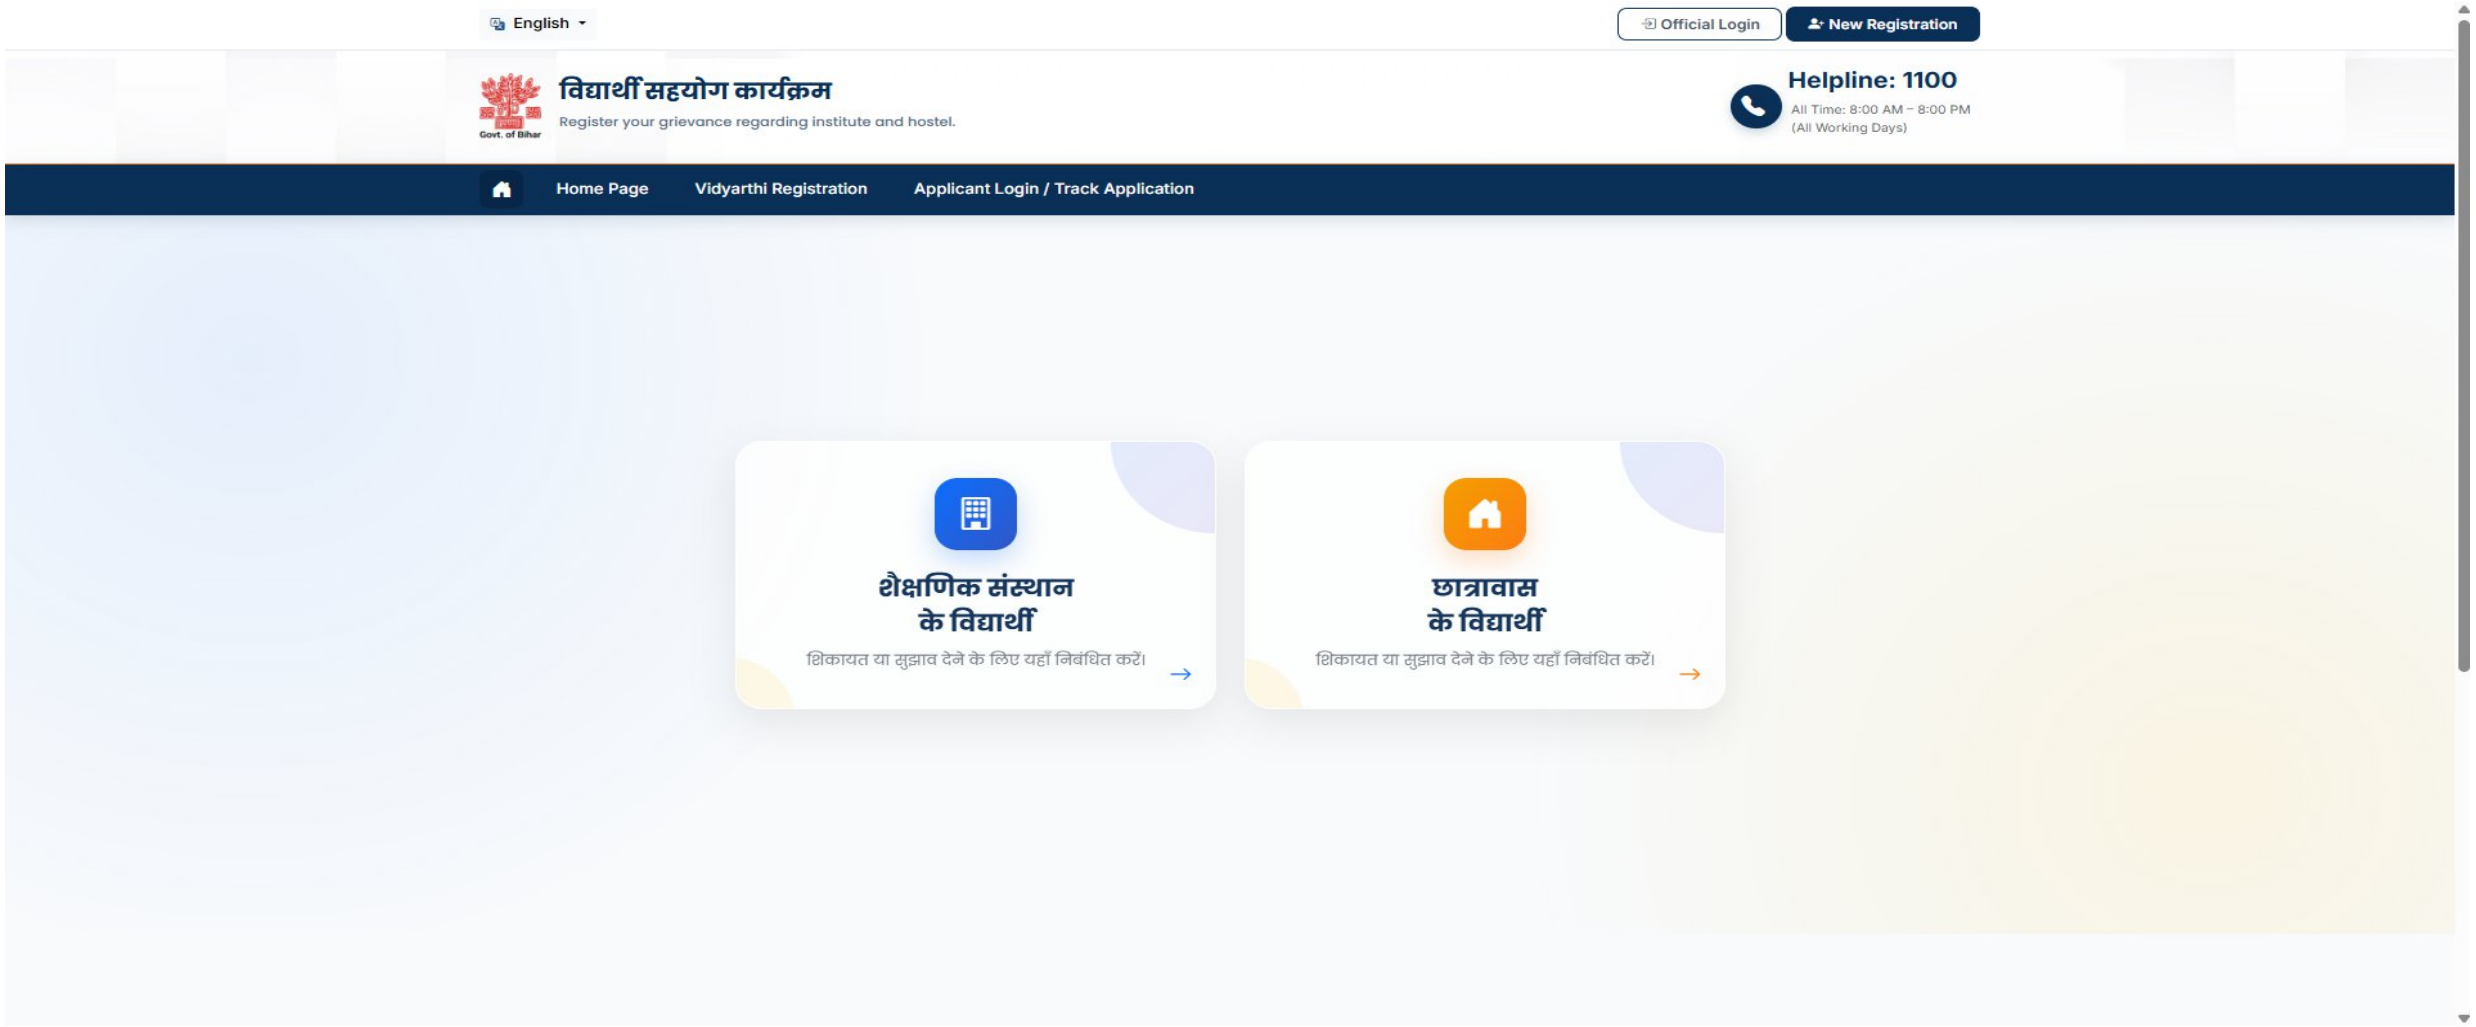
Hostel Student Support | Education Department

The Home Page introduces the Hostel Student Support portal and its main services for students.
Students can access registration, grievance support, and other portal features from this screen.

https://vidyarthisahyog.bihar.gov.in/

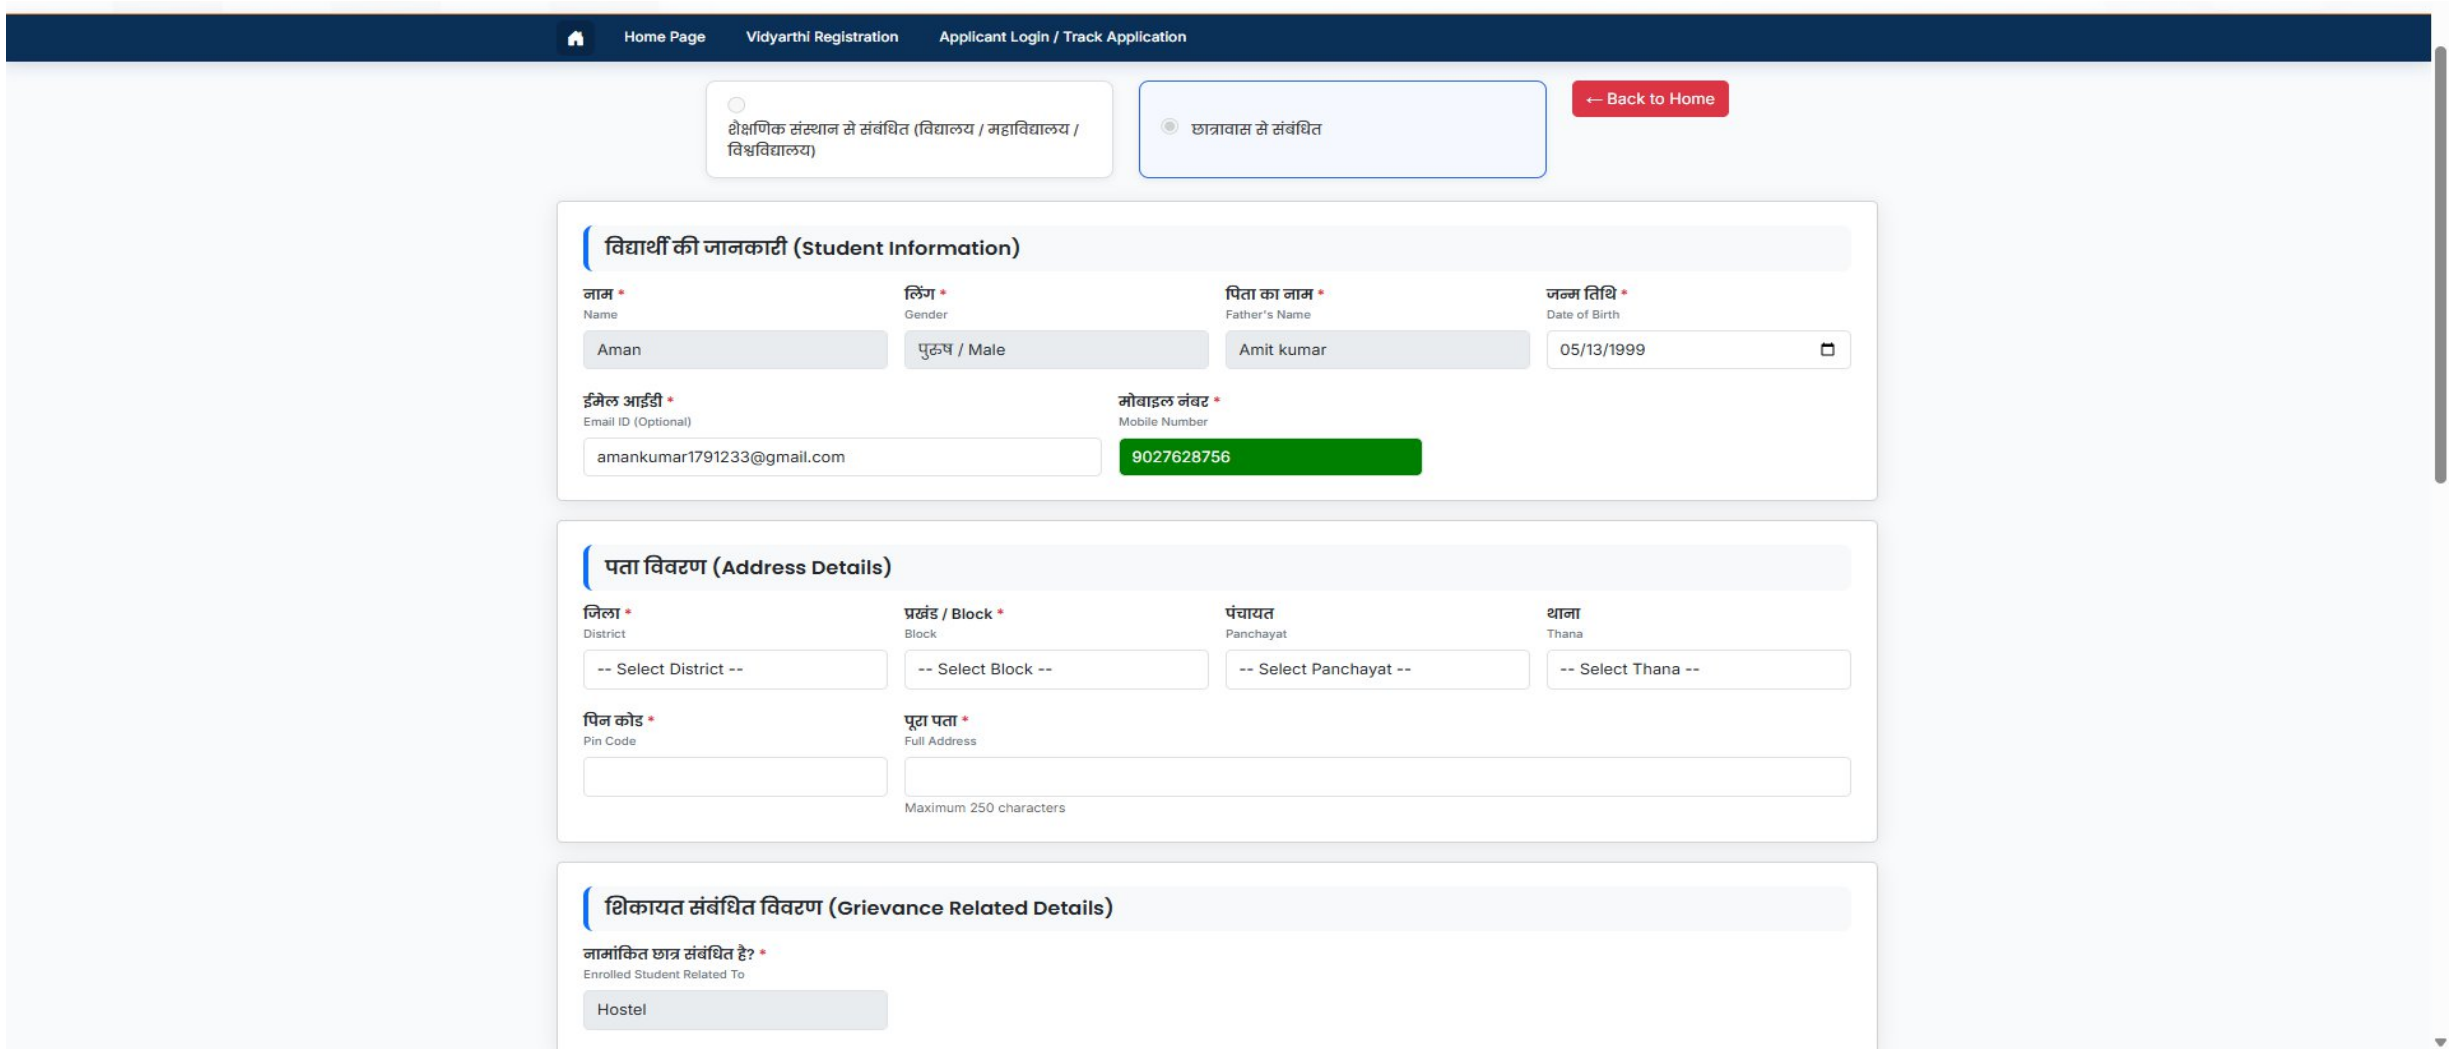
Student Registration

This page provides the entry point for registering a student grievance/suggestion related to an institute or hostel.
The registration process is available 24*7.



Student Registration

The Student Registration form begins with personal and basic contact information of the applicant.
Students enter details such as name, gender, email, mobile number then OTP verification. After OTP verification more details panel will open fill out all the details.



Student Registration

The address section captures the student's location and the subject of the complaint.
The student also specifies whether the grievance/suggestion is related to a hostel or another institute service.
